BULLETIN

This bulletin is one in a series of routine updates regarding Prescription Advantage. These notices are designed to inform a broad network of outreach partners and other interested parties about Plan updates affecting both current and future Plan members.

United Healthcare Premium Billing Issue

United Health Care (UHC) recently discovered that 4800 of their Massachusetts members were not sent their 2010 premium payment booklets. This error affected members enrolled in the following Medicare Part D plans:

- AARP Medicare Rx Preferred
- AARP Medicare Rx Saver
- AARP Medicare Rx Enhanced

The premium payment booklets were mailed to these members last week along with the attached letter.

UHC recognizes that the amount owed since January can be a hardship for many people and offers repayment arrangements to assist the member. Members should be encouraged to contact UHC Customer Service to discuss payment options.

UHC has two (2) Customer Service phone numbers:

- 1-877-710-5083 – For Prescription Advantage members
- 1-888-867-5575 - For all other members
